# Table of Contents

## Foreword to the English edition · 15

### 1.1 Trends in the development of the Danish universities · 17

FREDERIK VOETMANN CHRISTIANSEN, THOMAS HARBOE, SEBASTIAN HORST,  
LONE KROGH AND LAURA LOUISE SARAUW

Humboldt and the research-based university · 17

From elite university to mass university · 20

New governance structures and management styles · 23

Learning outcome and competence-oriented university education · 33

Concluding remarks · 37

Resources · 38

Literature · 40

### 1.2 Research-based teaching · 43

NINA BONDERUP DOHN AND JENS DOLIN

Research-teaching nexus · 44

Different approaches to research-based teaching · 47

Different disciplines' different approaches to research-based teaching · 51

Examples of research-based teaching · 54

Literature · 62

### 2.1 Teaching for learning · 65

JENS DOLIN

Explicit, implicit and behaviourist learning · 65

Three approaches to teaching · 68

Constructivism · 70

Situated learning, apprenticeship, practice communities · 78

Psychodynamic learning approaches · 82

Progression · 83

Is there a "best practice"? (Or: Can you base teaching on evidence?) · 85

Ideas and practice · 87

Literature · 91

## 2.2 University teaching and learning – models and concepts · 93

ANNE METTE MØRCKE AND CAMILLA ØSTERBERG RUMP

Instructions and options · 93

Models and principles of university teaching and learning · 94

Taxonomies · 100

Resources · 103

Literature · 104

## 2.3 Teaching environment · 105

SEBASTIAN HORST AND GITTE HOLTEN INGERSLEV

What can the teacher do to create a good teaching environment? · 106

Research-based starting points for planning teaching · 110

Research-based education requires integration with research facilities · 111

Resources · 112

Literature · 113

## 3.1 Who are the students? · 115

BJØRN FRIIS JOHANSEN, LARS ULRIKSEN AND HENRIETTE TOLSTRUP  
HOLMEGAARD

Challenges to teaching: Who are the students? · 118

Options · 124

Conclusion · 132

Resources · 132

Literature · 133

## 3.2 Course descriptions · 135

FREDERIK VOETMANN CHRISTIANSEN, SEBASTIAN HORST AND CAMILLA  
ØSTERBERG RUMP

Course descriptions are part of the regulations · 135

What should a course description include? · 136

Goal descriptions and the Danish Qualifications Framework · 137

How do competences, skills and knowledge differ from one another? · 139

Conclusion · 146

Resources · 147

Literature · 147
