## It is night time

Vera is lying in her bed.  
She is not asleep.  
She is bored.

“Mummy!” Vera calls.  
“I can't sleep!”

“Oh!” says mummy.  
She enters Veras room.  
“Again!”

“You have to sleep now!”  
says mummy.

“But I can't,” says Vera.

“I hate my bed.  
I want a new one.”

“Not now,” says mummy.

“It's night time, Vera.  
Other children are sleeping.”

“I can't!” says Vera.

Mummy leaves again.  
Vera is still not asleep.
